

PROGRAM KONFERENCJI

7.06.2019, PIĄTEK

9.00 – 11.00	Slide review session
11.00 – 12.00	LUNCH TIME
12.00 – 12.10	Welcome & meeting agenda prof. Monika Prochorec-Sobieszek
12.10 – 12.55	Pathogenesis of hematolymphoid neoplasms. Scientific basis of classification and diagnostics dr Maciej Szydłowski
12.55 – 13.40	Genetic testing in diagnosis of lymphoid neoplasms – experience of hematopathologist dr Grzegorz Rymkiewicz
13.40 – 13.55	COFFEE BREAK
13.55 – 14.55	Case presentation
14.55 – 15.10	COFFEE BREAK
15.10 – 15.30	Genetic testing in diagnosis of myeloproliferative neoplasms and mastocytosis dr Iwona Solarska
15.30 – 16.15	Molecular pathology of MPN and mastocytosis- own experience prof. Monika Prochorec-Sobieszek
16.15 – 17.15	Case presentation
18.30	DINNER

8.06.2019, SOBOTA

9.00 – 9.45	Fundamentals of next generation sequencing: technologies and applications in hematolymphoid neoplasms prof. Tomasz Stokłosa
9.45 – 10.05	Genetic testing in diagnosis of acute leukemias dr Katarzyna Borg
10.05 – 10.50	Molecular pathology of acute leukemias – case presentation dr Anna Szumera-Ciećkiewicz
10.50 – 11.05	COFFEE BREAK
11.05 – 12.05	Case presentation
12.05 – 12.20	COFFEE BREAK
12.20 – 13.05	Practical aspects of genetic testing in diagnosis of myeloid neoplasms dr Dorota Jesionek-Kupnicka
13.05 – 14.05	Case presentation
14.05 – 14.20	Workshop summary & take-home messages
14.20 – 15.00	LUNCH TIME
